

PACIFIC LUMBER INSPECTION BUREAU

CERTIFICATE OF MEMBERSHIP

Mill No. 720

This is to certify that Rettenmeier Holzindustrie Wilburgstetten GmbH  
has met all the requirements for membership in Pacific Lumber Inspection Bureau and is hereby granted all the rights, privileges and obligations of membership.

It is further certified that the holder is approved to grade stamp lumber according to the provisions of the American Softwood Lumber Standard PS-20 and the Pacific Lumber Inspection Bureau/West Coast Lumber Inspection Bureau publication, "WCLB Standard Grading Rules for West Coast & Imported Softwood Lumber, No. 18, 2022 edition" for those grades and species that graders have been certified in.

This certificate is effective subject to the following conditions:

- It is void if this mill terminates PLIB service
- It is revocable at any time the holder fails to maintain the required standards.
- It is canceled and void when the graders are no longer qualified by PLIB.
